Section 1. Village Code Amendment:

Section 298-2 of the Code of the Village of Walden entitled “Definitions” to add a new definition as follows:

Corporation Stop – a valve, used for controlling the flow of water into the customer’s service line located at the main and providing a connection to the Curb Stop (Box).

Customer Service Line – a water line from the Village water main to the building or buildings being serviced by Village water. The Customer Service Line shall include the connection from the Corporation Stop to the Curb Stop (Box) and from the Curb Stop (Box) to the meter.

Section 298-9 of the Code of the Village of Walden is hereby amended by the addition of a new subparagraph as follows:

- I. In the event that customer's service pipes begin to leak or are rendered nonfunctional or function improperly, in the judgment of the Superintendent of Public Works, or his designee, it shall be the obligation of the customer to replace both the length of pipe running from the meter to the Curb Stop and from the Curb Stop to the Corporation Stop. All costs associated with said replacement shall be the responsibility of the customer.
- J. The Curb Stop shall be subject to control by the Village and must at all times be accessible to those employees and/or agents of the Village of Walden so as to permit them to perform such work as may be necessary to protect to the proper functioning of the Village water supply system.
