Instructions

Please read through this application completely BEFORE you fill it out and be sure to call the Village Offices with any questions you may have.

If you need to work in, on, or within 25 feet of a public sidewalk or curbed area you **MUST** get a Dig Permit. This is to also include any work to be done on private owner's property.

You **CANNOT** start any work until the application is submitted and reviewed, fees paid, proper bonds and insurances supplied, and application signed. **You MUST contact the Superintendent at 845-742-0619 prior to the commencement of any work.**

If you are working within 25 feet of a State or County Road or Right of Way, a copy of the necessary permit from such entity will be required to be presented to the Village as well.

Plans, drawings and specifications must be submitted where applicable indicating the points where you will be digging from and to; what size/type of pipes are being installed/replaced; and if a new tap is required. **NOTE: new construction MUST have plans, drawings, and specifications.**

All work **MUST** be done in accordance with the guidelines established by the Board of Trustees of the Village of Walden.

No digs will be allowed to be conducted on Fridays and weekends.

All street openings, be it Water, Sewer, Drainage, etc. must be inspected by the Village of Walden prior to backfill.

Any sidewalk disturbed must be replaced in kind.

TIMING – Permits will **NOT** be issued the same day you apply for it. Please allow at least forty-eight (48) hours so the Village has had a chance to review the information. The permit, once approved, will be valid for 1 year.

If industrial wastes are involved there will be a surcharge for any material put into our sewer/drainage system which may affect our sewer plant. A chemical analysis in this event is required by the applicant.

TIME LIMITATIONS –

1. The Village of Walden Department of Public Works shall be notified of commencement in terms of the permit conditions requested. In all cases the Department of Public Works Agent shall be notified at least 48 hours in advance of any work within the Village in order that the inspection of such work can be made. The permit shall be issued for a length of One (1) year. In the event that a project runs for longer than one year, within 15 days of the expiration of the current permit, the permittee shall apply for an extension of the permit and pay the appropriate application fee.
2. Except when specifically approved by the Village of Walden Department of Public Works, work will not be permitted within 25 feet of center of road of any Village Road between November 15th and March 15th of the succeeding year.
3. If work has not been completed by November 15th, the site shall be left in a condition specified by the Department until March 15th of the succeeding year, when work may be resumed.
4. Emergency repairs may be made upon issuance of a Highway Work permit and approved temporary restoration procedures implemented. It will be the responsibility of the permittee to complete the final restoration as soon as weather permits. In no case shall the Department close the permit until final work has been completed.

ROAD AND LANE CLOSINGS –

1. Prior to closing a road or lane and opening a road or lane, you **MUST** contact the Walden Police Dispatch at 845-778-5595 and advise dispatch of the location being closed including cross streets for emergency services. When the work is completed and the road or lane is opened, dispatch **MUST** be notified of the road or lane opening.
2. The appropriate temporary signs shall be used to warn motorists of the road or lane closure. The temporary signs must be supplied by the contractor.

SAFETY – Our Inspectors and the Police Department will be on the look-out for violations. If found, work will be ordered to be stopped immediately and you could be subject to fines and increased fees.

DIG SAFETY - It's the LAW!

Call UFPO at least TWO (2) Working Days before you dig 1-800-962-7962

All Contractors are required to follow standard OSHA regulations when working within the Village Right-of-Ways.

INSURANCE REQUIREMENTS –

Contractors: For all construction to be performed by a contractor a certificate of general liability insurance and workers compensation insurance (C105.2) shall be provided before the permit can be processed. Certificate Holder: Village of Walden One Municipal Square, Walden, NY 12586 G/L must be X-Add'l Insured.

Homeowners: For all construction performed by the homeowner, a copy of the homeowners insurance must be provided and must submit form BP-1(12/08) before the permit can be processed.

To obtain form BP-1(12/08), please ask the building department. This form must be notarized and returned to the building department before the permit can be processed.

Note: Faxed and emailed copies of insurance certificates and policies are acceptable: mkraus@villageofwalden.org or fax 845-778-2170.

As of June 1, 2009: Once your permit is processed you must come to the Village office and pick up the permit. If you receive a stop work order or if you start your project without obtaining a permit you will be charged 3 times the cost of the permit.

SEE ATTACHED FEE SCHEDULE FOR ALL DPW FEES
